

The 7W MR16 with COB LED provides high luminous, high power efficiency and wide range voltage input 10VDC-30VDC, designed for the emergency industry

Model Number:

ADT-MR16/DC-7W-10-30VDC

Lamp Luminous Efficiency(lm/w):

105 lm/w at 24VDC Input

CRI (Ra>):

80

Lamp Body Material:

Plastic-Aluminum Alloy

Lens material:

PC

5 years warranty

Power:

7 watt

Input Voltage(V):

10VDC--30VDC

Color Temperature(CCT):

2700K -- 6500K

Base Type:

GU5.3

Patent Status:

Pending

FCC Complaint

Lamp Luminous Flux(lm):

611

Working Temperature(°C):

40 -- -20

Beam Angle:

38 degree

Dimension:

50x50x50mm

Application:

Emergency industry
